

Andrew Peat, CAO
Salt Spring Island Fire District

June 20, 2016

Dear Andrew,

It has come to the point that my family life will be keeping me away from being able to fulfill my responsibilities as Chair, as well as Trustee. Having 5 children on three continents will be keeping us very busy and off island quite a bit.

I therefore resign from my position on the Board effective immediately.

I wish the Board the best.
