OUR MISSION STATEMENT

SSIFR is committed to providing our community with a safe level of emergency protection, fire prevention and public education services by way of well maintained equipment and highly trained and dedicated personnel.

OUR VISION STATEMENT

- Through adoption of best known practices, we place the highest value on: firefighter safety, community protection, fiscal responsibility, workplace safety and wellness, asset management, regulatory compliance and stewardship of our environment.
- Fully engage members through teamwork, innovation and training development.
- Respect the value and input of all members and customers.
- Participate in activities that enhance our community relationships.
- Support our firefighter families.
- Take pride in whatever SSIFR undertakes by means of a progressive positive attitude.
- Set a standard of excellence; guided by principles of trust, integrity, honesty, loyalty and respect for all.
