Following SSIFFA elections in January, the full SSIFFA executive was returned for another year by the membership: Mitchell Sherrin is president, Patrick Byrne is vice-president, Chantelle Pohl is treasurer and Nancy Pursell has remained secretary. Past president Peter Andress remains a member of the executive as a director.

The SSIFFA is a member-funded society registered under the B.C. Societies Act. The purpose of the SSIFFA is to promote and foster the morale and well being of the membership. We welcomed nine new full members and 11 probationary members this January at our annual "Meet and Greet". The SSIFFA currently numbers 59 members (including the recruits). Three members are on leave.

December and early January activities included fundraising for the Copper Kettle through two projects, a decorate-the-tree fundraiser and a Christmas Tree Chipping event. The two fundraisers brought in \$450.

We are proud to serve and support our community.
