

Fire Chief Recommendation:

To approve the repurposing of Mini Pumper 1 (M103) into a rescue truck capable of First Response, auto extrication, confined space rescue, ice rescue, water rescue, and over the bank technical rope rescue. The pump from the mini will be repurposed for wildland and training.

Motion:

“To approve the Fire Chief to repurpose Mini Pumper 1 (M103) into a rescue unit and repurpose the pump unit for wildland and training purposes”.

Prepared By: Arjuna George, Fire Chief.
