Re: Health and Wellness Budget line item funding request – letter of support

At the August 28, 2019 Safety Meeting, Chief George and Trustee Hetherington presented a proposal for the Safety Committee members to consider under – New Business 4.4.

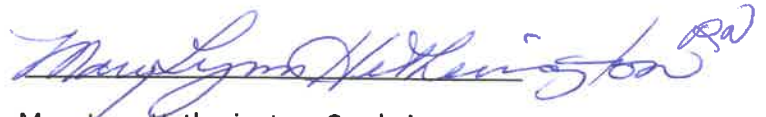

Chief George explained that he has requested the Finance Committee authorize \$19,000.00 be moved to the Health and Wellness Budget Line 54(b) for 2020. The funds will be used to support employee Health and Wellness initiatives.

This letter will confirm that a recommendation was put forward and accepted unanimously by the committee to support the proposed funding be moved to budget line (54.B). The Committee is committed to the health and wellbeing of employees and supports Chief George and the Salt Spring Island Fire Protection District Board of Trustees' consideration to fund initiatives for programmes to support workers.
