

Salt Spring Island Firefighters' Association

105 Lower Ganges Road

Ganges, B.C. V8K 2T1

August 4, 2019

Dear Ron Lindstrom,

The Salt Spring Island Fire Fighters' Association (SSIFFA) held three events in July.

Several SSIFFA members attended the Canada Day Car "Show and Shine" with the 1960 Jeep and SSIFR Engine One. We are happy to report that both vehicles won prizes for their shininess. SSIFFA members also shared fire and life safety education with members of the public at that event.

Our members also prepared and launched fireworks for the Canada Day celebrations. We'd like to thank Capt. Peter Andress for helping us by transporting the fireworks in his boat. We'd also like to thank our partners from the Royal Canadian Marine Search and Rescue, Unit 25, for providing scene security. The event was hosted by the Harbour Authority of SSI and sponsored by the SSI Chamber of Commerce.

As a further event in July, SSIFFA members hosted a social event for participants at the "Training in Paradise" education weekend. Guests and hosts enjoyed a meal and games together to round out a weekend of training.

Regards,

Mitchell Sherrin,

President, SSIFFA
