

SALT SPRING ISLAND FIRE PROTECTION DISTRICT

BY-LAW NO. 28

Repealed # 95

A By-law providing for the issuance of numbers for buildings within the boundaries of the District.

WHEREAS it is deemed necessary and desirable to provide an adequate numbering system for buildings within the boundaries of the Salt Spring Island Fire Protection District, the Trustees of the District enact as follows:

For the purpose of this By-law:

1. "Building" shall mean any dwelling, business premises, hotel, apartment house, barn, shed or any other shelter.

"Building Number" shall mean those numbers and/or letters allocated by the Trustees of the Salt Spring Island Fire Protection District for the purpose of numbering buildings.

"Street" shall mean any highway, road, lane or public thoroughfare within the boundaries of the Salt Spring Island Fire Protection District.

2. All buildings within the meaning of this By-law shall bear a building number except outbuildings and auxiliary buildings on the same lot as the main building.
3. It shall be the duty of every owner of a building upon receipt of his or her official building number to affix said number, within thirty days, in a secure position within thirty feet of the property line bordering on the nearest street. The numbers to be not less than four inches in height and to be clearly visible from the street, and to the satisfaction of the Salt Spring Island Fire Protection District.
4. Where more than one building is serviced by a common private road or lane the number shall be affixed as per Section 3 and in addition the same number shall be affixed in a secure position within thirty feet of the private road or lane at the point of division. The numbers to be not less than four inches in height and to be visible from the common private road or lane, and to the satisfaction of the Salt Spring Island Fire Protection District.
5. It shall be the duty of every property owner upon application for a permit to construct a building on said property, to apply to the Salt Spring Island Fire Department, (through the building inspector) for a building number, and the building number shall be affixed and displayed as aforementioned.

6./

6. This By-law may be cited as the "Building Numbering By-law 1979".

INTRODUCED and given first reading by the Trustees on the 11th day of July, 1979.

Dear Sir:

Re: Amendment to By-Law 28 of the
Salt Spring Island Fire Protection District

At the August 12th meeting of the Trustees (open meeting to the public), a motion was moved and carried to amend By-law 28 to include the following:

"Penalty

- a) Any person guilty of an offense is punishable in accordance with the Offence Act.
- b) The penalty that may be imposed upon any owner found guilty of any offence hereunder shall be a fine of not less than \$50.00 nor more than \$500.00 for each offence, and a separate offence shall be deemed to be committed on each day during or on which a violation occurs or continues."

The above will be an addendum to By-law 28.

Yours truly,

Glen W. Moores
Secretary Treasurer
